Hello Chandra Ji,

Please find the details below for Tax team

Earlier, the vendor's PAN card was inoperative, due to which TDS was deducted at 20%. The PAN is now operative, so TDS will be deducted at the applicable standard rate for all invoice

Dear Shiv,

Vendor pan status is operative, so TDS will be deducted at standard rate.

Also pan status is updated in the system also from today's date.

Please find below screenshot for the same.
